

IDEAL FOR: lawns, landscapes,
trees & shrubs, fruits & vegetables,
and wildlife food plots

Solu-Lime

Enhanced Calcitic Lime

Solu-Lime® contains pure, ultra fine ground pelletized calcium carbonate which is impregnated with Carboxy Technology PHCA. Solu-Lime® is used to increase soil pH and Calcium levels in the soil. Low soil pH can cause poor fertilizer response, increased thatch and poor soil structure, increased potential for moss, excess weed pressure and weak unhealthy turf. Solu-Lime® is easy to apply with any fertilizer spreader.

Covers Up To 6,000 sq. ft.

Net Weight 30lbs (13.60KG)

RNV-91%

- **Raises soil pH efficiently**
- **Saves time and money**
- **Improves soil structure**
- **University tested and industry proven**
